

An artistic illustration in shades of blue and white. On the left, two horses with long, flowing manes and tails are galloping through the air. On the right, a woman in a voluminous, ornate white dress and a crown of ice sits in a sleigh. She holds a long, thin wand that emits a trail of sparkling snowflakes. Below her, a young girl in a dark, patterned winter coat sits in the sleigh, looking up at the woman. In the background, a town with a church spire is visible under a dark night sky filled with stars and a full moon. The overall style is whimsical and magical.
